Thank you, Chip for reserving the EPA conference room for the meetings on September 16th and 27th.

We will hold the BERA meeting at your office on September 16th.

Please note that we need to reschedule the BHHRA meeting as the lead risk assessor, who was not at Friday's meeting, is not available on the 27th. I will send you dates for consideration later this morning.

I have reserved a conference room at Stoel Rives located at 900 SW Fifth for the September 21st RI non-directive comments meeting.

We will need to hold the September 29th FS tools meeting at Pearl Legal Group since that is the same morning we have our standard LWG meetings and will not have time to travel to EPA in order to make an 11:00 am meeting. Does that work for your team?

Thank you,

Jen,

The EPA conference room is available the 16th and 27th. It is currently booked for part of the day on the 21st, but we are checking on a couple of alternatives. Our conference room is also available for the FS tools meeting on the 29th.
